

Qualified Charitable Distributions

A really smart way to build the Rehema Home legacy.

How to Donate Using Your IRA

If you are 70½ or older, you may consider supporting Rehema Home directly from your IRA through a Qualified Charitable Distribution (QCD).

A QCD allows you to direct funds from your IRA to a qualified charity without first receiving the distribution yourself. For many donors, this can be a tax-efficient way to give. If you are required to take a Required Minimum Distribution (RMD), your QCD may also count toward satisfying that requirement.

Benefits of a QCD

- Support Rehema Home directly from your IRA
- Potentially reduce your taxable income
- May satisfy all or part of your Required Minimum Distribution (RMD)
- No need to itemize deductions to benefit from the gift

How to Make a QCD

Contact your IRA custodian (such as Fidelity, Schwab, Vanguard, or another provider) and request a Qualified Charitable Distribution to:

Legal Name: Rehema Home US Fundraising, Inc.

EIN: 20-5768716

Distributions mailed to 1029 Lyell Ave., Unit #530, Rochester, NY 14606

Your IRA custodian can provide the necessary forms and instructions.
